

# Black Tot *Last Consignment* Rum

## Tasting Notes

### Black Tot

---

The Colour:	Bright, yet deep mahogany cut with flashes of ruby.
The Nose:	Initial treacle notes precede dark chocolate with super-ripe black fruits, muscovado sugar and walnuts. A drop of water releases notes of black banana, liquorice root, tamarind paste with an exotic edge of balsamic.
The Palate:	Starts off thick and sweet, becoming light and oaky before a burst of cassis / creme de mures then espresso & cacao.
The Finish:	Very long with light scented wood, black fruits and cigar tobacco.
The Strength:	Remarkably, after 40 years Black Tot will be introduced at 54.3% (94.2° proof), almost exactly original issuing strength.
