

DIPLOMÁTICO

RON DE VENEZUELA

Diplomático Blanco is a super premium rum, designed and formulated carefully to achieve an extraordinary body, balance and softness.

Only aged rums have been used in the formula, as in Venezuela by law the youngest component must have been aged in white oak barrels for at least 2 years. In Diplomático Blanco's blend the rums used are up to 6 years old.

To achieve its balanced and special body, our rum master blender combined light and heavy rums distilled in copper potstills.

Finally, the rum is carefully filtered and treated with charcoal to achieve its brightness and transparency; additionally this treatment gives it an incomparable softness.

Among its main organoleptic attributes we can find subtle aromas of coconut, cream and vanilla. On the palate, there is an extraordinary balance between sweetness and dryness with a creamy smoothness that continues through the finish.

Diplomatico Blanco was launched at the UK Rumfest in October 2008 and has already won the prestigious title of 'Master' in the White Rum category at the inaugural Rum Masters 2009 held by top trade magazine The Spirits Business.
