

Domenis Sambuca

Tasting Notes

Domenis Sambuca

Nose: Less sweet-smelling than expected, with amazingly clear and strong fresh anise and liquorice allsort aromas.

Palate: On the palate the intensity of the anise is (almost literally) breathtaking, combined with a superbly generous, luscious texture which gives the Sambuca a rich, luxuriant but not cloying or sticky mouthfeel.

Finish: An amazingly long, sweet liquorice finish (like Blackjacks).

Comment: A perfectly constructed nose and palate of incredibly pure aniseed.
